- 2.2 For the sale of Goods through the Bolt Food Platform, a Sales Agreement is concluded directly between the Client and the Partner. For the delivery of the Order, the Client enters into a Delivery Agreement directly with the Courier. In case the Client wishes the Order to be delivered by the Courier, the Sales Agreement is deemed to be concluded from the moment that the Order is accepted by the Partner and the Courier and an Order confirmation is sent to the Client. - 2.3 By operating the Bolt Food Platform, Bolt acts only as a provider of the information society service and is neither a party to the Sales Agreement or the Delivery Agreement. Bolt is not the provider of the Goods or delivery services and is not liable in any way for the performance of the Sales Agreement or the Delivery Agreement.
- 2.4 By operating the Bolt Food Platform, Bolt acts as the agent for the Partner in relation to mediation of Sales Agreements between the Partner and the Clients. Bolt also acts as the agent for the Couriers in relation to mediation of Delivery Agreements between the Couriers and the Clients. As the agent Bolt has been authorised by each Partner and each Courier to receive payments from the Clients on behalf of the respective principal and allocate the received funds between the Partners and the Couriers in accordance with these General Terms and Courier Terms.

- 13.5 Bolt reserves the right to update the General Terms anytime, by uploading the revised version on their webpage. Bolt will notify the Partner of any changes at least 30 days in advance. If the Partner does not agree to the updated General Terms, it should be communicated to Bolt in

14. **RANKING**

14.1 Main parameters of the ranking are outlined in section 5.3 of these General Terms. The main parameters are applied on the Bolt Food Platform in the following order (listed from the most important to the least important one):

14.1.1 **Availability of the Partner.** If an Order cannot be placed, this decreases the likelihood of such a Partner being relevant for the Client. If Client is able to place only a pickup Order, Bolt assumes that the Partner is less likely to be relevant for the Client compared to another Partner in case of whom the Order can be delivered by the Courier.

14.1.2 **Delivery fee for the Client.** The cheaper the delivery, the more likely the Partner is relevant for the Client.

14.1.3 **ETA of the Order.** Bolt prioritizes faster Partners over slower Partners.

14.1.4 **Frequency of use of Partner's services.** If Client has placed an Order with the Partner several times, the Partner is more likely to appear in the first place of the ranking for this Client.

14.1.5 **Ratings.** The higher the rating of the Partner, the more likely the Partner will be placed on the first place of the ranking.
